SUPPLEMENTARY INFORMATION:

A. Background

The Administrator of the Office of
Federal Procurement Policy (OFPP)
issued a memorandum on enhancing
competition in Federal acquisition,
dated May 31, 2007, to executive agency
chief acquisition officers and senior
procurement executives. One of the
initiatives identified by the
Administrator for strengthening
competitive policies was limiting the
length of contracts awarded
noncompetitively under the authority in
FAR Part 6.302–2, unusual and
compelling urgency, to the minimum
period necessary for meeting the
requirements, and no longer than one
year unless approved by the head of the
contracting activity. This rule
implements a contract period limitation
under FAR Part 6.302–2.

This is not a significant regulatory
action and, therefore, was not subject to
review under Section 6(b) of Executive
Order 12866, Regulatory Planning and
Review, dated September 30, 1993. This
rule is not a major rule under 5 U.S.C.
804.

B. Regulatory Flexibility Act

The Councils do not expect this
proposed rule to have a significant
economic impact on a substantial
number of small entities within the
meaning of the Regulatory Flexibility
Act, 5 U.S.C. 601, *et seq.*, because the
rule addresses internal agency
procedures and will benefit small
entities by encouraging competition
after a one year contract period, except
when a longer contract period is
properly approved. Therefore, an Initial
Regulatory Flexibility Analysis has not
been performed. The Councils will
consider comments from small entities
concerning the affected FAR Part 6.303–
2 in accordance with 5 U.S.C. 610.
Interested parties must submit such
comments separately and should cite 5
U.S.C. 601, *et seq.* (FAR case 2007–008),
in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act (Pub.
L. 96–511) does not apply because the
changes to the FAR do not contain any
information collection requirements that

require the approval of the Office of
Management and Budget under 44
U.S.C. 3501, *et seq.*

Government procurement.

Dated: January 15, 2008.

Al Matera,

Director, Office of Acquisition Policy.

Therefore, DoD, GSA, and NASA
propose amending 48 CFR part 6 as set
forth below:

**PART 6—COMPETITION
REQUIREMENTS**

1. The authority citation for 48 CFR
part 6 continues to read as follows:

Authority: 40 U.S.C. 121(c); 10 U.S.C.
chapter 137; and 42 U.S.C. 2473(c).

2. Amend section 6.302–2 by adding
paragraph (d) to read as follows:

6.302–2 Unusual and compelling urgency.

(d) *Period of Performance.* The total
period of performance of a contract
awarded using this authority shall not
exceed the minimum period necessary
for meeting the unusual and compelling
urgency requirements, but no longer
than one year unless a longer period of
performance is approved by the head of
the contracting activity. Approval of a
longer contract period of performance is
in addition to the justification approval
of requirements in 6.304.
